

DOG LICENSING

The owners of all dogs SEVEN months of age or older are required to annually apply to the licensing clerk of the municipality in which he or she resides for a dog license. Puppies registered by SEVEN months of age do not pay a late fee. In order for the license to be issued, you will need proof of a current rabies shot. CURRENT MEANS THE SHOT DOES NOT EXPIRE BEFORE NOVEMBER 1ST OF THE LICENSING YEAR. If the rabies shot does expire before November 1st, please have the dog revaccinated before attempting to license.

An exemption to the rabies inoculation requirement shall be granted if the owner presents written certification from a licensed veterinarian that the dog cannot be vaccinated due to a medical condition or course of therapy.
