As the responsible person (and/or permit applicant) for the construction work at the above referenced property, I have received a copy of and will adhere to and obey the following Town Ordinance:

Ordinance #0:86-19, Chapter 369: Littering §369-18 Construction Sites

It shall be unlawful for any owner, agent, or contractor in charge of a construction or demolition site to permit the accumulation of litter before, during, or after the completion of any construction or demolition project. It shall be the duty of the owner, agent, or contractor in charge of the construction site to furnish containers adequate to accommodate debris or trash at construction areas and to maintain and empty the receptacles in such a manner and with such frequency as to prevent spillage of refuse.

I understand that if I violate this town ordinance, I will be subject to a citation and summons to Municipal Court which may be punishable by a penalty in the amount of \$2,000.00.

I further understand that if I fail to keep the work site litter free, the Town of Phillipsburg will bill the owner and/or place a lien on the property for all expenses incurred relating to removal of refuse and construction debris from the property at a minimum cost not less than \$250.00 pursuant to Town Ordinance.
