

COPS ON THE R.U.N.

COPS-Running as a **U**nified force for
stronger **N**eighborhoods

Every August across the country, police departments host and sponsor activities to bring residents and communities together including National Night Out. Often these activities require significant funding and staffing to plan, organize and implement. Unfortunately, with today's bleak economic climate these community activities are at risk. It is critical, for many reasons, including relationship building that the community understands and trusts public safety responders.

In an effort to encourage police and communities to interact, a 5K COPS on the R.U.N. is planned for August 8, 2015 at 9:00 a.m. This 5K and 1K Run/Walk COPS on the R.U.N. will be located at Meadow Breeze Park Meadow Breeze Lane, Washington, New Jersey.

The success of this race depends on our community members and the support we receive from local businesses. We have many sponsorship opportunities available and hope that you will consider some level of involvement, either financial or through your attendance at the event. All sponsorship information must be received by July 25, 2015.
