MEMO

Transported Family/Friends

To reduce the risks of first responders that may be exposed to coronavirus disease 2019 (COVID-19) the Phillipsburg Emergency Squad will be taking steps to minimize the number of people transported in the ambulance.

Until further notice the first aid squad will not be:

- Transporting any family members or friends unless:
 - The Patient is a minor- one guardian can be transported
 - The family member has medial power of attorney over the patient- the person who has the POA can be transported
 - Active labor- one coach can be transported

At no time is a member transported allowed to be transported in the front of the ambulance.

Please refer to PES SOG #200-19 regarding patients with CoVID-19 symptoms.

Any question please contact Captain Chelsea Dagon 908-859-5218 extension 103

Thank you,
Chelsea Dagon
