

MAYOR'S REPORT 03/26/2020

The town of Phillipsburg has been proactive and ahead of the curve through this difficult time dealing with the coronavirus.

We continue to work together and move our town forward with the day to day operations with our essential staff. We want you to know that we are here to help and serve in any way we can at this crucial time.

We have taken measures to protect public safety, our staff and to keep our town safe and clean and to make sure that everyone in the community is taken care of. At times it's been very challenging, but we will all get through this.

I would like to thank our Police Dept., OEM's, Fire Dept., DPW workers, town council and employees for working together now and in the future to make Phillipsburg better than ever.

I urge everyone to think positive and continue to follow the guidelines set by our Federal and State Governments. Stay safe and stay home. God Bless everyone

Todd M. Tersigni
Mayor of Phillipsburg
