

Mayor's Report

May 5, 2020

First, I would like to thank the residents of Phillipsburg that have been following the guidance and social distancing. I feel as a town we have come together to fight this pandemic and to make our town safe.

Over 300 areas in the town have been cleaned up and numerous summons have been issued through our inspections department. Due to the courts not being open, some of the cases have not been heard. More properties than ever before have been cleaned up and I will continue my fight to keep the town clean.

Over the past week, I met with Council President Piazza and Councilman Fulper, Vice President McVey and Councilman Wyant on separate occasions at Walters Park. The meetings were very productive and as a team we will all work together to accomplish some major issues that need to be addressed to move the town forward. These plans will be addressed soon and be announced to all.

All spring sports will be cancelled this season, since the Governor has closed all schools for the remainder of the year.

Finally, it is with a saddened heart that the Memorial Day Parade and ceremonies will be cancelled this year. I am very sorry that this cannot take place, but we would like to thank all the Military and Veterans for the sacrifice that they have given to our Country. Hopefully, next year we can make the parade and ceremonies better than ever.

STAY SAFE AND HEALTHY

Respectfully Submitted,
Todd M. Tersigni
Mayor of Phillipsburg
