

**MAYOR'S REPORT
AUGUST 18, 2020**

The last wet down will be Saturday August 22nd from 2-3. I would like to thank everyone who has made this event a huge success.

An armed robbery took place on South Main Street, Thursday August 13th. Thank you to our Police Dept. and all that were involved for the quick response to have the suspect in custody in less than 12 hours. The Police Department and Prosecutors office have met with families and it was a positive meeting. The investigation and complaints continue to be under review.

The Mayor does not set the agenda for council meetings, but I urge this council to follow through with habitability hearings that need to be addressed. These properties are unsafe and need immediate attention.

Respectfully Submitted
Todd M. Tersigni
Mayor of Phillipsburg
