

MAYOR'S REPORT
FEBRUARY 16, 2021

We had an historic snowstorm in Phillipsburg that left over 26 inches of snow. By working together with the OEM, Business Administrator, Phillipsburg Police Dept., Clerk's Office, DPW, Tim O'Brien and Shelly McGregor, we were able to arrange for snow removal throughout the town. I would like to thank Chief Hay for working with FEMA to receive qualifications for reimbursement for the funds used for this project. It was not an easy task, but we were able to get it done by working together.

It's budget time and I continue to work with our Business Administrator and CFO to come up with a budget that will benefit our taxpayers. The budget will be presented to Town Council at the end of February for their review.

After talking with the Mayor of Alpha, there will be no increase for rent at the Alpha Municipal Court. Thank you Mayor Dunwell and Alpha Council for keeping everything the same.

The State of Phillipsburg will be released on February 25, 2021 and will be posted on the town Facebook and Phillipsburg website for everyone to watch.

On February 13th the town presented a proclamation to Verna Robinson who turned the young age of 100. This was a proud day for her family and friends seeing her live to see such a big milestone. May you see many more safe and healthy years.

Respectfully Submitted
Todd M. Tersigni Mayor of Phillipsburg
