Town of Phillipsburg Master Plan - Circulation Plan Element

Walkability Route - Public Participation

Route Name:	Route 1 - "South Main Street Business Route"	**Route Length (Miles):**	1.5 Miles
Project Team Walking Date:	Saturday, October 1, 2022	**Project Team Walking Time:**	9:00 A.M.

Goals and Objectives: The purpose of this "Walkability Audit" is to engage the public - you, in assessing the condition of your roads to better understand the issues faced by people walking the streets of Phillipsburg. By providing input on the chart below, we can isolate areas of concern for these key routes in the Town and develop a path towards correcting and improving these conditions in the future.

Bonus Question: (Where did you park today?)
*If you choose to answer this question, that data will also be collected for a future study on the parking within the Town.

Instructions for completing this form

This form is accompanied by a map that identifies a route within the Town. Please walk the route with the Project Team or on your own and record your impression of each of the conditions listed on a **scale of 1 to 5**, with 1 being the worst condition, and 5 being the best condition. Upon completing your form, please hand in to a member of the Project Team, or you can submit them to Van Cleef Engineering via email at jbrosnan@vancleefengineering.com or in person at their office **755 Memorial Parkway, Suite 110, Phillipsburg, NJ 08865**.
